RUSHI HADVANI

Web Designer | UI Design & Social Media

+91 99137 63882 | rushihadvani2005@gmail.com | LinkedIn | Ahmedabad, Gujarat

PROFESSIONAL SUMMARY

Web Designer at FewTone Technologies, Ahmedabad, promoted from intern to full-time in July 2026. Designs websites and UI in Figma and creates visual assets in Photoshop. Also manages social media for Anokhi Reet, an online traditional outfit rental marketplace, running two Instagram accounts. B.Tech in Computer Engineering (2026) with hands-on HTML, CSS, JavaScript and React.

EXPERIENCE

FewTone Technologies | *Ahmedabad, Gujarat* — Jan 2026 – Present

Web Designer (Full-time) — Jul 2026 – Present

- Design website and landing page layouts in Figma for company and client projects.
- Create banners, graphics and visual assets in Adobe Photoshop.
- Work with developers on design handoff so the final build matches the approved design.

Social Media Manager – Anokhi Reet (sister brand) — Jul 2026 – Present

- Manage two Instagram accounts for Anokhi Reet, an online traditional outfit rental marketplace.
- Plan and publish content showcasing rental outfits, and design posts and stories in Photoshop and Figma.
- Handle comments and messages, and adjust content based on engagement.

Web Designer Intern — Jan 2026 – Jul 2026

- Designed UI screens and web pages in Figma; earned a full-time offer after the 6-month internship.

Intern, Mythics Design LLP | *Rajkot, Gujarat* — May 2025 – Jun 2025

- Assisted the design team on website and UI projects using Figma; earned an internship certificate.
